

My name is Savannah, I have been dancing at Chesco Dance Center since I was 2 1/2 years old. I am a member of the Gems Dance Company. Chesco Dance Center is my home away from home. I love staying active and learning new techniques. I have made a ton of friends in the time I have been here.

This is my second year of being an assistant. I love being a helper because I get to inspire young dancers. I love seeing their smiling faces when they enter class. I love helping them learn new techniques throughout the year. I love watching them get on stage and perform. I can't wait to see where dance, teaching, or any other type of artistic expression leads me in the future.
