

# Ages 7 and 8

**Elementary Level level classes focus on dance technique, steps, and terminology while also introducing dancers to age appropriate strength and flexibility exercises. Classes are taught in a progressive and focused structure, all while still having fun!**

All classes are held at our "Studio 2 or 3" location. If there is a studio change teachers or assistants can walk the dancers to their next class. The combo class will work on Ballet, Tap, Jazz and Creative Movement. Dancers are recommended to take 1-2 classes per week.

"Combo" Classes include Ballet, Tap, and Jazz unless otherwise noted
